

Buttons

The image displays a collection of 30 buttons arranged in a 5x6 grid. Each button is a rounded rectangle containing the text '+ Button +'. The buttons are organized into three groups of three columns each, illustrating different visual states and styles:

- Group 1 (Columns 1-3):** Shows a gradient of colors from dark blue to light blue. The first two columns have buttons with a solid border and a drop shadow, while the third column has buttons with a solid border and no shadow.
- Group 2 (Columns 4-6):** Shows a gradient of colors from dark blue to light blue. The first two columns have buttons with a solid border and a drop shadow, while the third column has buttons with a solid border and no shadow.
- Group 3 (Columns 7-9):** Shows a gradient of colors from dark blue to light blue. The first two columns have buttons with a solid border and a drop shadow, while the third column has buttons with a solid border and no shadow.

The buttons are arranged in five rows, with each row containing six buttons. The buttons are labeled '+ Button +' and are arranged in a grid that demonstrates various states and styles, including different colors, borders, and shadows.
